

Invitation to Perth Markets' Back to Market Buyers' Day

Perth Markets is excited to welcome buyers from retail and food service businesses to celebrate the start of the 2025 stone fruit season at our **Back to Market Buyers' Day** on 20 November.

This special event is designed to welcome buyers back to the heart of Western Australia's wholesale market. It's the perfect opportunity to reconnect with the state's top wholesalers, explore the freshest local produce, and experience the vibrant atmosphere that makes Perth Markets WA's premier hub for fresh food.

Held in the Central Trading Area, the day will feature pop-up stalls, media interviews, an exclusive market tour with Perth Markets Ambassador, Rachael Torre, and exciting giveaways.

Whether you're a past buyer, a business seeking new opportunities to source fresh produce, or simply curious about what the Market has to offer, we warmly encourage you to join us.
